Subject: COVID-19 Update - Alert Level 3 and 2 Extension

**Date:** Monday, 24 August 2020 4:24:24 PM

Attachments: image001.png

## Afternoon

This afternoon the Government has announced an extension of the current Alert Levels. Auckland will remain at Alert Level 3 until 11.59pm on Sunday 30<sup>th</sup> August.

From midnight Monday  $31^{st}$  August, Auckland will join the remainder of the country at Alert Level 2 (with some differences). The extended Alert Level 2 will be reviewed before Sunday  $6^{th}$  September.

## **Auckland**

Alert Level 3 has been extended until 11.59pm Sunday 30<sup>th</sup> August. The Alert Level 2 which commences from midnight Monday 31<sup>st</sup> of August will be a more "restrictive" version of Level 2.

Limits on 'mass gatherings' will be maintained, meaning groups of no more than 10, with the exception of tangihanga and funerals. Clubs will recall that when we entered Alert Level 2 way back in May you could have up to 100 people on the premises, but groups or bubbles were limited to a maximum of 10.

## **Rest of New Zealand**

The rest of New Zealand will remain in Alert Level 2 as it currently stands. This will be reviewed before Sunday 6<sup>th</sup> September.

## **Mandatory use of masks on Public Transport**

The other major change to come from the Government's announcement today is that from Monday 31<sup>st</sup> August the use of masks will be mandatory on public transport at Alert Level 2 and above Nationwide.

We are currently investigating whether this applies to club courtesy coaches.

As always if there are any changes to our understanding of the Alert Level restrictions, we will communicate this as soon as possible. The National Office team are here to help, and we can be contacted on 0800 4 CLUBS.
