

HEY MATE,

CLUB CONNECT IS COMING!

Club Connect is all about building strong communities and empowering people with the tools they need to look after themselves and each other.

Our goal is to establish a local wellness support network in every community.

SUPPORT CLUB CONNECT

Club Connect benefits the whole club community and we are calling on club members across the country to become champions for Club Connect! You can show by:

- Attending the Club Connect events near you.
- Spreading the word to family, mates and colleagues.
- Donating to Club Connect.

Donations received go to helping us run Club Connect events, provide additional training in for areas and support the work of Lean on a Gate.
