

# Otago / Southland Area Meeting

South Otago Town & Country Club

1 Yarmouth St, Balclutha

1pm Saturday 10<sup>th</sup> October 2020

Sorry for the very long wait between meetings, you may remember that we had one scheduled for May, but Covid-19 took care of that. I did not know how many people would want to travel or what was going to happen in June or July, so did not organise anything. Unfortunately, we are again back in level 2 but hopefully by Oct 10 we will be clear and back to level 1. You may also remember that we were going to get our President Elect Terry Ray down for the May meeting, again Covid-19 upset that, we will however endeavour to get Terry down our way in the near future.
