Please find attached the Registration Form for next year's proposed Aussie Club visit in conjunction with the AGE and Managers conference.

We have partnered with High Performance Travel to assist with the finer details of everything travel wise. Initially registrations will be only for Managers Group registered members (no partners) until 30 January when we will then open to anyone interested.

When filling in the registration form, if you are thinking of including partners / committee / other attendees please add a note to your booking form.

The price indicated may change depending on the numbers attending, but we will be endeavoring to make it as cost effective as possible.
