

## Clubs New Zealand Quiz Championship 2019 Terms and Conditions

This competition is open to all affiliated Clubs New Zealand outlets to participate in.

The competition starts on the week commencing Monday 22nd July 2019 and runs for ten consecutive weeks. A team's best eight scores over the ten weeks will count towards their final tally, meaning if they attend all 10 weeks their two worst scores can be removed. After that calculation, the team with the highest score at each venue will qualify for the final.

Clubs do have the right to amend the 'eight best scores in ten weeks' scenario if they see fit, however it must be made clear to teams at the club before the competition starts, and the club must run the competition for ten consecutive weeks to qualify to send a team to the grand finale.

**The final will be at the Upper Hutt Cosmopolitan Club, 11 Logan St, Ebdentown, Upper Hutt on Saturday 16th November 2019.**

Individual Clubs may only send one team of 6 to the final unless they have more than 10 teams competing. If the average attendance over the competition period is between 11 and 20 teams per night, then the top two teams may attend, 21-30 teams competing then the top three teams may attend and so on.

The final will be limited to 60 teams of 6 team members, on a first in first served basis.

Each team will consist of 6 people having paid up membership of an affiliated Clubs New Zealand Club.

Each team is responsible for any costs incurred in getting themselves to the final, unless their club agrees to fund their expenses.
