

ELECTIVE SESSIONS

2019 ANNUAL CONFERENCE AGM AND EXPO - TAURANGA

In 2019 we will be running three elective workshops on Friday morning. There is no additional cost to attend these workshops, however, **you must select which workshops you will be attending at the time of registration.**

On this year's registration form you will see a new tab called "Workshop Registration". After you have completed the registration details and travel details for your clubs' attendees you will be able to choose the elective sessions each attendee will register for.

So what elective sessions are on offer?

PROCESS, PROCESS, PROCESS

Mike Kyne - Kyne Management Services
Friday 22nd March 9.30AM - 10.00AM

Navigating the world of employment law can seem daunting enough without throwing disputes into the mix. So how do we step back and actually put the mantra of PROCESS, PROCESS, PROCESS into practice?

Mike Kyne spent 20 years as a detective before launching Christchurch Based trouble-shooting business Kyne Management Services with his wife Alison in 1994. Mike has extensive knowledge of the club industry and has provided assistance to a large number of clubs when faced with employment issues and dishonesty offenses.

While we like to think it will never happen to me, this workshop is a must attend for club committees' and managers.

FINANCIAL FUNDAMENTALS

Dave Tilley - Clubs New Zealand
Friday 22nd March 10.35AM - 11.00AM

You know your club better than anyone, you know your members, you live and breathe it 24/7, so what more can financial statements possible tell you that you don't already know? Clubs are surprisingly complex beasts and your financial statements provide you with a window into your club's inner workings; so that you can focus on where you are, where you've been and where you are going next. But if you don't know what you are looking for, that window can easily become a grimy mess.

ELECTIVE SESSIONS

2019 ANNUAL CONFERENCE AGM AND EXPO - TAURANGA

You will all know Dave Tilley well, he is General Manager – Northern here at Clubs New Zealand and has amassed a wealth of knowledge during his time working under a partner’s supervision for a firm of Chartered Accounts and club manager. In this session Dave will dig into a club’s financial statements and help you find what you need to be looking for when presented with your regular financial updates.

SALE & SUPPLY OF ALCOHOL PANEL DISCUSSION

Clubs New Zealand & Guests

Friday 22nd March 11.05AM - 11.35AM

Of the countless pieces of legislation clubs need to be over, the Sale and Supply of Alcohol Act 2012 raises more questions than any other. This panel discussion is all about delving into the Act to see where we are at six years after the act was introduced and what we as clubs need to be doing. The panel discussion will be made up of Keith, Dave and Lucy and we will be looking to pull in special guests ‘from the other side’ to help answer some of those curly questions.
