

H&S Roadmap

CLUBS
NEW ZEALAND INC

In partnership with
Manage Group

**Navigating compliance
doesn't have to be hard
or expensive.**

**Steps 1 – 4 for only
\$900 + gst**

02

Is it current?

If your system is actively being used, we review and update for legal changes & best practice. If not, we replace.

04

SOP Library

We provide you with a range of Safe Operating Procedures you use to train your team.

06

Need a Safety App?

Report incidents & hazards, do checklists, all from your phone. Share reports with clients. From \$39 / month.

Review what you have 01

Covers your policies; risk, / competency / hazardous substances, /incident registers; your evidence.

Training 03

We train you on how to use your system and keep it current. We also provide training for your workers.

Site Visit – \$500 05

We can do a site visit to review the risks, check your traffic management, and see how you manage risks.
