Dear Kate

The 500 cards committee of the Hamilton Combined Returned Services Club Inc wish to have the following remits considered at this year's National 500 tournament in May:

1. Change to rule 4(g). If a player bids out of turn, it is a live bid. However, if one or more GENUINE bids are made on that round the player who called out of turn must make a higher bid in that suit only. The player may not pass or change suit unless a further bid is then made.
2. If during play the maker fails to put out exactly 3 cards into the kitty, the maker's bid is deemed lost and the bid deducted from their score. The EXCEPTION is when the mistake is found before any other player has played a card.

Yours sincerely

Fiona Maxwell
(President)

Cynthia Gillespie
(Secretary)
