Matters arising from these minutes:

Delegates would like to get clarification on the rules regarding the Kitty that were bought up at the meeting.

Applications for future tournaments':

2024 Mangere Cosmopolitan Club (7th and 8th September confirmed).

2025 Manurewa Cosmopolitan Club

General Business:

Adrian Chambers from Porirua Club asked for clarification for the following scenario. When kitty has been discarded and the first playing card has been tabled are you able to change the content of kitty if you have made a mistake. The consensus around the table was that play had started and the kitty could not be taken back for change. The hosting club to approach the Rules committee for clarification. There is nothing in the rules regarding this. A remit would be required to have this added to rules.

Starting partners and how they moved. This is decided by the host club.

It was confirmed that the Nationals would be held at Papanui Cosmopolitan 4th and 5th May 2024.

Brian Pope from Tauranga Citizens Club thanked everyone for attending and supporting the tournament. We had 76 players 2022 and 88 players this year 2023.

Everyone was wished a safe journey home and the meeting closed at 5.43pm.
