

## JUNIOR SPORTS GRANT

The Clubs New Zealand Junior Sports Grant recognises the contribution that talented young men and women are making to their club and the Clubs New Zealand organisation as a whole.

In particular some talented junior members of clubs are participating in their chosen sport(s) at different levels including club, regional, national and international representation.

Clubs New Zealand also recognises that these junior men and women are the future of our clubs and that fostering of junior membership is essential to not only maintain, but grow membership levels.

Clubs are invited to nominate any such junior member to receive a Clubs New Zealand Junior Sports Grant.

If your club considers a junior club member worthy of such a grant, the club is invited to complete the nomination form and return the form with accompanying documentation to Clubs New Zealand for consideration.

## ELIGIBILITY

The Clubs New Zealand Junior Sports Grant is open to any Junior Member (under the legal purchasing age for alcohol) of a club who was continuously a member of the nominating club for over twelve (12) months and who is still a member of the nominating club at the time of the grant.

Any person that has received a grant in the past two years is not eligible for nomination for another grant.

The nominating club must have been a member of Clubs New Zealand for the year prior to the grant and must still be a member at the time of the grant. It is Clubs New Zealand's preference that the nominees chosen sport is participated in at the Club but Clubs New Zealand may make exceptions from time to time.
