GENERAL BUSINESS:

Tournament Days – L Stowers asked whether the dates for the National Ladies Tournament could be brought forward by a day, being – Sunday – Friday. Thereby giving people time to relax when arriving home. Discussion took place about the Ladies and the Masters. **RESULT:** It will be raised next week at the Masters and get views from there as well.

North Island Ladies 2019: Penny Williams spoke to the room and handed out flyers. All is on track and they will wait to hear from the Masters.

Committee: Wendy Cook read out her report from the Open North Islands. Karen Edwards gave an update from that meeting. Rankings will be put up on the CNZ Website, A facebook page will be started for people to put their ideas forward about the changes needed to the rules and 8 Ball in general.

North / South: Declining numbers and the South Island Ladies do not feel confident to put forward a team for the Test Match between the Islands.

Different formats were put forward to the room. **DECISION:** This year it will be the 10 South Island Ladies playing Pairs and Singles against a team of North Island Ladies. Anyone wanting to play put their names in a hat and 20 names were drawn out. This is to be looked at year by year. Still South v North but random and social. The trophy was not played for.

Entry Fees: The matter of entry fees increasing will be voted on at the Nationals in Cashmere this year.

Refereeing Matters: Mike Ryan spoke to the room concerning a rule on a Freeball where the opponent picks the white ball up as though it were a combo. This leaves room for professionalism. A show of hands showed their agreement and a wish for a change to the rule.
