General Business:

Clubs NZ are going to clarify the rules for late withdrawals and put it into the handbook. Kerry Lowe brought it to Maurice's attention that Canterbury 8 Ball already has a very rules put in place for this. Maurice suggested Club NZ have a look at them and maybe use them in the Club NZ handbook.

Tab asked is Southern Pride had to be run at the South Islands. It was stated it didn't but it was easier to have it run with the South Islands as everyone was there. Tracy asked who selected teams the host club or players. Carol Cameron the selectors be selected at this meeting for next years tournament. Tabs moved this idea and Charlie seconded it.

Selectors are: Chris Kerring, Johm Saundercock, Sheldon Kirby, Adam Lilley, Mark Watson and Johnny Mattingley.

Also the issue of the Calcutta taking over and interfering in the tournament affecting the games. Someone said that they are not legal. Maurice said it should be run away from where players are playing if it is run at all. It does not have to be part of tournament at all. Cashmere stated they would be running blind raffles instead. Kat said she didn't want it running at all. Maurice stated that host clubs should respect players.

Closure: 8.20 am
