

## Kamo Club Shooting Section Report.

We have got through IT and now we are back to NZ Chartered Clubs North Island Shooting. We held our turn last Saturday 14<sup>th</sup> May with 54 shooters from as far away as Te Kuiti attending. We have another 4 shoots later in the year to look forward too with a revised program out soon because of a postponement re NZ Nationals.

The Trophy event was first up with 8 prizes in top, middle, and bottom. Next was a 2 x 25 target for the local Mal and Jill Grant Trophy taken home with the Waitomo Team winning by 5 targets. Next the North Island Mini's event was up for grab. Taking out High Overall Individual after a shoot off of only 3 targets was Darren Chalmers from Onehunga. Darren had only changed from an automatic to an over and under 2 weeks before so was wholly satisfied. Kamo 1 team scoring 93 out of 100 won the team event. Locals managed the 2 Man Team and also the High Overall for the day.
