General Business.

Transport Issues were discussed by Bob Lord Hamilton Workingmen's Club. They were disappointed that transport to and from Hornby Club not available all the time for their \$5.00 fee. This was discussed as those wishing to have transport had paid a sum of \$5.00. This fee covers pickup from Airport to accommodation and pick up and immediate drop off after each day of play. Any other Shuttle rides to and from accommodation to Club are at your own expense. Suggestion made that perhaps transport fee should be more in future.

Maurice Nutira said that Transport costs for Clubs New Zealand meetings is quite a lot more than what players have been charged.

Cathy Morten Cashmere Club, cutting or draw to deal. This was being done before all players at table. Rule 4. Everybody draws a card. Team Captains to announce to their team before start of play re drawing cards.

Diane Heath Hornby WMC. Pegging in wrong direction. Once peg moved in wrong direction can't recount and move forward. Help Partner count their cards, don't help opposition unless they are counting too many. Club Captains to help new tournament players with rules before commencement of play.

Maurice asked for Applications of interest for 2022 in North Island, Taupo cannot hold.

No expressions of interest forthcoming.

Manurewa Cosy Club then said they would check at their club for 2022 and Richmond showed interest for 2023.
