Tony Smith (Papanui) advised the old Mascot trophy has been returned after being missing for 10 years and since it had been replaced in the meantime, suggested it be used as a Team Runner up trophy in future.

Doreen Mulligan (Oxford) suggested that lanyards be used when running Tournaments instead of having to show your card each time you paid for something.

Some other Clubs have used them previously & perhaps they can be returned to Clubs NZ for use at other tournaments.

Clubs NZ also have card packs available.
