**Passed Unanimously,**

**GENERAL BUSINESS:**

Effectively the delegates present at this meeting have accepted the application from Castlecliff to host the 2024 North Island Euchre Tournament.

Michael Cassidy – CNZ

Yes, Clubs New Zealand has accepted.

North Island Euchre Tournament 2024 date to be confirmed, will be held at Castlecliff.

Kevin Coxhead – Taupo Cosmopolitan Club

Point raised regarding players that are not fully able to play, should their clubs advise them not to play in Tournament.

There was a around the table discussion on this matter and an agreeable solution would be to have an agreed level of reasonable play.

The Clubs feedback will go to the players clubs and Mike will take back through Kate at Clubs NZ.

We had a Presentation from Carlene Sykes of Castlecliff Club confirming they have 100 % backing from their Club executive and members. They can offer catering, transport, venue, accommodation details in the area and all tournament areas are on the ground floor for ease of accessibility.

A healthy turn out to support this club would be greatly appreciated.

Mike wishes all a very festive season, and once again thank you all for attending and I hope the rest of the tournament goes very, very well for you. Thank You.
