

Clubs New Zealand – South Island Euchre Tournament – REMIT

Following discussion at the 2025 Delegates Meeting the following is submitted for consideration.

Suggestion

That the Clubs NZ South Island Euchre Tournament be extended to include additional pairs entries outside of the existing team of eight.

Subject to space /room availability, the Host Club may limit the extra entries at their discretion.

This will open the Tournament to more players thereby enhancing the ongoing viability of the Tournament.

Remit

Add new clause (e) and renumber existing clause (e) as (f)

Should a Club have extra Players, these may be entered into the Pairs Competition only at the discretion of the Host Club.

Proposed by Cashmere Club

Seconded by Papanui Club
