As part of the registration they require a copy of fishing licence & Club to allow members to fish on the way and not have to worry about check in on Friday night.

**Entry Fee;**

Stay at \$35.00 & \$10.00

**Moved;** Nigel Henigan Cromwell T & C

**Seconded;** Tony Lee Invercargill Working Mens Club

Tony Lee talked about the fee, over the years it has increased for different reasons, however we feel that \$35 is affordable for most it just means Clubs have to get good sponsors on board. Nigel Henigan suggested read through the Club Sports Rules as 60% of the entry fee has to be returned in prizes however if made clear the entry fee can be less allowing some of the \$35 be for admin, meal etc, this will reduce the value of the prizes awarded.
