

AMENDMENT TO GENERAL INFORMATION AND ENTRY FORM

1 JUNE 2018

Two amendments have been made to the general information and entry forms previously issued on 22 May 2018.

- 1) The entry fee was shown on the information sheet as \$340 including the Saturday dinner of \$30 per player. To avoid confusion this has been amended to show the two fees separately.
- 2) The use of a golf cart showed that a current medical certificate will need to be presented which is no older than three months at the time of the tournament. The tournament rules show that the certificate is to be no older than twelve month and therefore this has been corrected.
- 3) The revised entry forms and information sheet are included below.
