Moved D Smith, sec R Adler that the 2017 minutes be accepted.

General:

A change to rule 11 of the tournament that it be held annually instead of bi-annually. Moved I Dickson, sec T Cates. Passed.

General discussion about the tournament being move to a different weekend. May or September were suggested. It was decided to hold the 2020 event at Queen's Birthday weekend and then revisit the move after that.

Waimate and Ashburton RSA both wished to hold the event in 2020. A vote was taken and the 2020 event will be in Waimate. Ashburton RSA will host the event in 2021 and Rangiora RSA expressed an interest for 2022.

B Collins wanted all travelling teams to have tee times close together. R Adams said that every endeavor was made to do this but apologized that one of their teams had quite a different tee time. This was to accommodate one of their members in a cart to be with another team to save costs to the players.

I Dickson wanted all teams playing in Waimate 2020 to advise him as soon as possible of how many carts will be required so they can be organized.
