SPRINGFIELD GOLF CLUB LOCAL RULES

OUT OF BOUNDS

All boundaries are indicated by white stakes, neighbouring property fences and the Utuhina Stream.

STAKED TREES

If such a tree interferes with a player's stance or the area of his intended swing, the ball may be lifted, without penalty, and dropped in accordance with the Rules.

EMBEDDED BALL

Through the green, a ball which is embedded in its own pitch-mark in the ground, other than sand, may be lifted, cleaned and dropped without penalty as near as possible to where it lay not nearer the hole. The ball when dropped must first strike a part of the course through the green.

A player may not obtain relief under this Local Rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this Rule.

GROUND UNDER REPAIR

All areas marked with white paint or GUR signs – Play off these areas is optional unless otherwise stated on the Local Rules Board.

WRONG PUTTING GREEN

The Chipping/Putting green at the rear of the Trundler Shed adjacent to the 10th green should be regarded as a "Wrong Putting Green" and relief taken as per Rule.

IMMOVABLE OBSTRUCTION – 10TH HOLE

The fence along the new hockey pitch is an immovable obstruction and relief may be taken as per Rule.

TRUNDLERS, CARTS & MOTORBIKES

Please keep off greens and teeing areas. Also keep carts and motorbikes at least 5 metres away from the greens at all times.

DIVOTS & PITCH MARKS

Please take time to repair all pitch marks and divots.

BARRIER ROPED AREAS

These barrier ropes on some greens are in place to protect the area and players are asked not to take their trundlers over these areas. Using the 18th hole as an example please take your trundler around the green and not over the protected mounds.
