

The Rangiora RSA Club golf section wish to put the following Remit forward for the Delegates meeting of the South Island Mens Golf Tourn.

to be held at Waimate 3rd and 4th Feb. 2024

Handicap.

That the Handicap be increased to 36 for this Tourn.

The Reason being that the numbers are falling (only 116 this year) due to the older member handicap increasing above 30 which makes it very hard for them to compete.

The new handicap system now does not let golfers out more than 5 shots

per year which has stop the Farming of handicaps
