Maurice from Clubs NZ said that clubs NZ give \$600 for clubs to use as they wish to.

General Bussiness: Bruce Collins mentioned that he had asked Clubs NZ to send out information regarding the Ladies SI tournament as they thought they could possible hold it. Unfortunately information wasn't sent out. It was also asked if the mixed tournament could be transferred to Labour Weekend. This didn't suit a lot of people.

It was asked by someone(not sure who) about who sets the cost of entry for tournament. The answer is the Host Club.

Maurice Nutira thanked Hornby for hosting the tournament.

Meeting Closed at 2pm.
