

REMIT

The Hornby Club Golf Section who are hosting the South Island Mixed Pairs Golf Tournament at Kings Birthday weekend, May 31st and June 1st 2026 would like to have the following remits presented at the delegates meeting at this tournament.

Rules of Clubs N.Z. South Island Mixed Pairs Tournament.

Remit 1. Rule 5. Alter day 2 of the tournament from 18 hole combined net to read – 18 hole combined stableford.

Reason: With it being the winter season (colder weather), this would be an ideal way to speed up the game before the colder afternoon conditions prevail.

Remit 2. No Rule to change. Hosting Club will not be required to provide “goody bags” and meals for the tournament. At the hosting club’s discretion.
