Application for Future Tournaments: Discussion took place and will be brought up in General Business

General Business: After a lengthy discussion on logistics, ability to organize, club facilities and availability, it was decided that the tournament would need to be hosted in a central area, such as Christchurch or Ashburton, but instead of one club providing all the controllers, umpires, people for raffles etc., look at this being shared by all Chartered Clubs where possible. Maurice is going to see if this is a viable option. Rob Osborne moved that once approved, Hornby and Richmond speak to their Clubs and ask if they could host the 2027 event.

Closing date for 2027 was discussed as Easter Weekend is earlier than this year, we will look at closing 12th March 2027. Discussion also took place on how the entries were made this year, Maurice said he will discuss this at the next board meeting.

New Trustees needed to be appointed with the passing of Mr. Dave Bullock and Kylie Gould standing down.
