Remit 1: Change of name from Clubs New Zealand North Island Mah Jong Tournament to Clubs New Zealand Nationals.

Rationale for this is so any clubs New Zealand member can play, that would incorporate the whole of New Zealand, North and South Island

Proposed Whangamata RSA Inc Mah Jong Adjunct.

Remit 2: Change of points for bouquet from two points to one point only.

Rationale as this is just luck and not a played hand. Bouquet point should be the same as the lowest played hand which is one point.
