Michelle asked the question about changing the dates that was talked about in the previous minutes, nobody had any real clear recollection. Happy to keep dates the same (2nd week of November). Further discussion was held that if Tokoroa was to host again, due to Maintenance Shut at Kinleith Mills, the tournament would once again be the 3rd week of November.

Some discussion was held about changing the format and playing time. Terry Ray commented that this needed to be done as a remit and posted 14 days prior to AGM.

Club Vista may be interested in hosting in 2020.
