General Business

There was discussion around rules and discipline procedures particularly around defaulting players at the final stages of the Tournament.

Discussion was held about the conditions of play and changing it to find a top 32 as opposed to qualifier's only to advance to post section play. New Draft general conditions will be circulated to Clubs to get their votes as to a change with the view that this will be implemented for the 2022 Tournament.

Maurice Nutira wished all a successful tournament and thanked Papanui for hosting
