**Matters Arising:**

- Transport Funding: Transport Levy: \$140.

Manurewa wants more money for the Transport Levy \$140 up to \$280?

If the team doesn't want to pay the Levy, then they should not use the transport. Why are people not taking cars back to accommodation then the club will use transport to and from the club?

Petone: The transport in Manurewa was brilliant. It worked out and thanked the drivers and club transport. If people arrive from the plane they can use the transport.

South Taranaki Club: Acknowledged that the transport was great and catered to their needs.

Moved by Petone: Transport should be optional to the host Club holding the Tournament Second Manurewa. Motion Moved. Carried

- North Island and South Island Tournament:

North Island has their own and South Island has their own. Both Islands are split.

16 Teams attended the South Island Tournament.

This is a National Tournament so why doesn't the Club New Zealand talk to the clubs and ask them if they would like to host the tournament.

Manurewa: Are we making it hard for the clubs to host the tournament?
