2023 Host

Indications that Mount Maunganui RSA are interested in hosting, confirmation to be sought at Snooker AGM on Friday 27th May.

Tokoroa Club is willing to host again if required.

General Business

Wayne Carey spoke about the need to foster youth membership and would encourage as many Clubs as possible to open their doors and welcome them in on a regular basis. He suggested Father / Son type system where Clubs offer Junior membership at \$5 and everyone pays \$2 to play.

Terry Ray commented that individual Clubs need to check their constitutions / rules around the age criteria for Junior members. It was up to individual clubs as to how they could best foster the relationship. Clubs NZ are looking at different ways that they may be able to get Juniors involved in all sports. It is a work in progress and YES Juniors are our future.

Wayne is aware of the issues that Tokoroa Club has had this year trying to locate Trophies, Minutes, etc and asked whether it would be worth considering that if a club didn't provide the relevant information they could be fined.

It was noted that if a Club failed on their obligations with Clubs NZ that future Hosting Rights could be compromised.

Darren Taylor clarified that the Billiards Trophy (which he won) had been given to the Clubs NZ representative at the time for some repairs to happen. After the meeting Terry Ray made a phone call to Brian Fergusson who has the trophy in his possession and will get the required work done.

There being no further business, the meeting closed 8.45am
