CORRESPONDENCE:

Roly tabled a letter from New Plymouth Club requesting to host the 2023 North Island Pairs. The rules of the tournament were confirmed that the team who wins the tournament has priority to host the following year. Vince Tate (Papatoetoe Club) also stated that only those Clubs playing in the current event should be eligible to be nominated to host the following year. All agreed. Clubs NZ to respond to New Plymouth Club stating that their request is declined.

GENERAL BUSINESS:

Quality of Tables/Venue:

KD Singh (Papatoetoe Club) again queried whether all major tournaments could be held at one centralised venue, so that top quality tables and equipment could be provided. Roly noted that Covid-19 has had a significant impact on Clubs and the return to normality has been slow. This has affected some Clubs' ability to maintain tables, etc, but it was generally felt that most Clubs regularly re-cloth their tables and replace cushions as required, and other equipment is maintained to a very good standard. Martin Jones (Howick Club) pointed out that if one centralised venue is used to hold all tournaments, this would incur travel costs which could be an issue for most Clubs/players.

IN CLOSING:

Roly thanked those that had attended the meeting, and wished the players well for the remainder of the tournament.

MEETING CLOSED: 10.27am
