Matters arising: None

Maurice initiated discussion on requirement for a letter of Intent to host next years event. Waimea Club Rep Nathan Geddes presented the Intention for Club Waimea to host the 2026 event. \*Lloyd Miller (IWMC) altered their letter to state intention now to host the event in 2027

Colin Bowden (Club Waimea) – Encouraged all Sth Island clubs to support each other and step up and take a turn at hosting this event in the future.

General Business

Bill Earl – Dress code discussion. Monogrammed top NZBSA being not allowed. Disappointed that NZBSA shirt not allowed.

Phil Chivers – Agreed should be clearer in the program.

Colin Bowden – Shirts need to be club shirts.

B Jones – Wording needs clarification.

Motion – Agreed monogrammed shirt must be for the club you've represented. Proposed by Waimea, seconded Richmond.

Garry O'Neil (Hornby) – North Island dress code is more relaxed.

Paul Lewis (Richmond) – to send through clarification of wording regardless of dress code.

Phil Chivers (Richmond) – Thanks to both Kaiapoi and Hornby for hosting. Excellent facilities and hospitality.

B Jones: Two clubs hosting might be the way forward as putting up new snooker tables is too expensive.

B Earle: Would be good to keep players at one club.

B Jones: Host club hands out drinks voucher and so all players should have chance to play at host club

Chairman wishes Waimea and Invercargill WMC all the best for 2026/2027. Reinforced encouraging all clubs to host this event in future.
