The rules are over 12 years old

Terry Ray The rules can only be changed by a remit being handed in 14days prior to the tournament. The host club can decide if it is going to be run over 2 or 3 days. The host club can also decide if the numbers will be capped or left open.

Dave Judd Why is CNZ using the NZBSA ranking list when this is not a ranked tournament.

General Discussion Followed

Dave Judd The problem with not ranking the players is the possibility of all the top players drawn in the same section.

Darren Fox The top 16 could be ranked as the top players.

Decision To use the top 16 from the last tournament for ranking purposes

Dave Judd I can do the draws for all CNZ future tournaments.

Terry Ray It is up to the host club who does the draws for the tournaments that they are hosting.

Darryl Jensen Can Clubs NZ supply the tournament balls, we only have six sets as we only have 6 tables, we were short 4 sets of tournament balls.

Terry Ray I will discuss it at head office, we have done in past but they would go missing between tournaments.

Meeting Closed.....1.13pm
